Dear Sir/Madam,

[Environmental Impact Assessment \(Scotland\) Regulations 2011](#)
[Aberdeen Football Club Proposed Stadium Site, Kingsford](#)
[Environmental Statement – Supplementary Information](#)

Thank you for your consultation which we received on 24 May 2017. We have reviewed the Environmental Statement (ES) Supplementary Information in our role as a consultee under the terms of the above regulations and for our historic environment remit. Our remit is world heritage sites, scheduled monuments and their setting, category A-listed buildings and their setting, and gardens and designed landscapes (GDLs) and battlefields in their respective inventories.

You should also seek advice from Aberdeen Council's archaeology and conservation advisors for matters including unscheduled archaeology and category B and C-listed buildings.

Our Advice

We have considered the Supplementary Information and do not have any comments to make on the proposals further to those issued in our consultation response of 27 February 2017. Our decision not to provide comments should not be taken as our support for the proposals. This application should be determined in accordance with national and local policy on development affecting the historic environment, together with related policy guidance.

Further Information

This response applies to the application currently proposed. An amended scheme may require another consultation with us.
