Dear Sir

**Proposed Community and Sports Facilities, Football Academy, (comprising outdoor pitches, pavilion, ancillary buildings), Stadium (20,000 capacity), ancillary uses, formation of access roads, parking and associated landscaping and engineering works**

**Site: Land at West Kingsford (north of the A944 Road), Aberdeen, AB15 8QR**

**Grid Reference: 384505.806498**

I refer to your enquiry on 24/05/2017 regarding a re-consultation on the above planning application with regards to the further information submitted.

We have looked at the new information provided and advise that the Shell position remains the same as per our initial response of 24/02/2017, that the proposed development is outside the Shell UK pipeline servitude and we understand from the developer that there are no planned construction activities which could affect our pipeline. Accordingly, it is not expected to have impact on the pipeline, meaning that, based on these plans, Shell UK does not consider the development will adversely affect the integrity of the pipeline.

Yours faithfully  
Shell U.K. Limited
